

Topp receives 2018 Chaney Faculty Scholar award

Dr. Elizabeth Topp is the recipient of the 2018 Chaney Faculty Scholar award. This award is the highest research award given to faculty by the Purdue College of Pharmacy. The award recognizes outstanding research, scholarship or creative activity including professional accomplishments in the recipient's field. Recipients are presented with a plaque and \$2,500. The award was established through the generosity of Jeannie (BS 1961) and James B. Chaney.
