Garnet E. Peck Symposium

Pharmaceutical Manufacturing

March 7, 2018

Holiday Inn Lafayette-City Centre

REGISTRATION is now open at https://conf.purdue.edu/peck

For questions regarding registration, please contact a Registration Assistant at confreg@purdue.edu or 866-515-0023.

Co-chaired by Dr. Elizabeth M. Topp, Professor of Industrial and Physical Pharmacy and Dr. Qi (Tony) Zhou, Assistant Professor of Industrial and Physical Pharmacy

The Peck Symposium is hosted by the Department of Industrial and Physical Pharmacy, the Dr. Garnet E. Peck Graduate Scholarship Fund, the College of Pharmacy at Purdue University and the Anderson Lecture Fund.

Questions? Email Jennifer Gray, IPPH Communications & Events Coordinator, gray160@purdue.edu

The annual Peck Symposium honors the late Garnet E. Peck, Ph.D., Professor Emeritus of the department of Industrial and Physical Pharmacy at Purdue University. Dr. Peck left a record of enduring contributions to the pharmaceutical sciences, including the development of latex-based tablet coatings that
have been used in the industry for more than thirty-five years. The goal of this event is to stimulate interest in the symposium's focus areas and to identify opportunities for new research.
